RE: Temporary EcoStar Glacier Guard Supply Shortage

To whom it may concern,

Due to a current supply shortage, EcoStar Glacier Guard 100 and Glacier Guard 300 are unavailable at this time. Until further notice, EcoStar Gold Star Warranty jobs will be allowed to substitute peel and stick ice and water protection underlayment from other manufacturers. Peel and stick ice and water protection products that have the ASTM D1970 code approval are acceptable substitutions. Follow the manufacturer's recommended application instructions.

- Some Manufacturers who meet or exceed ASTM D1970 requirements:
 - GAF
 - OCF
 - CertainTeed
 - TAMKO
 - Atlas
 - IKO
 - TARCO

This waiver expires on or about 7/31/22.

A handwritten signature in black ink that reads "Bill Shimburski". The signature is written in a cursive, flowing style.
