Please provide one or more of the following:

- A previous EcoStar Custom Color ID number.
- A sample of the material to be color matched (minimum 4" X 4" flat).
- A color "chip" from a paint manufacturer.
- A Pantone color number.

If none of these are available, please call EcoStar Customer Support for assistance.

The color match process takes approximately 6-8 weeks from receipt of initial color sample to final color approval.

Please email completed form to customcolor@ecostarllc.com.
